

Kindergarten Scope and Sequence 2021-2022

	Quarter 1	Quarter 2	Quarter 3	Quarter 4
Phonics/Spelling/ Grammar	Logic of English Foundations A Cursive Version		Logic of English Foundations B Cursive Version	
Handwriting	New American Cursive			
Math	Rightstart Math A Lessons 1-48	Rightstart Math A Lessons 48-84	Rightstart Math A Lessons 84-114	Rightstart Math A Lessons 114-142
Bible	In Kindergarten, students are led through a discovery of scripture from the beginning and creation through the New Testament. Mrs. Webb brings the events to life as they journey through the scriptures.			
History and Geography	Kindergarten students learn about their country and communities using Bede’s History from Veritas Press. This year, they will join the older students for some hands-on activities about colonial and revolutionary times. Be prepared for an adventure back in time to colonial and revolutionary days! Geography Songs will help students be familiar with Geography terms.			
Family Basket Time	A scheduled selection of read-aloud books, poetry, scripture, geography terms and locations, artists and composers to compliment and bring greater depth to the curriculum. Many families enjoy starting the day together exploring these resources.			
Literature <i>Teaching the Classics</i> is used for Literature Study	Read-Aloud Books are used weekly to develop understanding of story structure in a fun, enjoyable fashion.			
Science	Science studies at CCA seek to instill a sense of awe and wonder in our students while providing the common knowledge, or “grammar”, of the science field that we are exploring. This year, we will study life sciences. Parents will be provided with a teaching guide, overview, and living books/readers for the topics that are studied each week. Nature studies along with learning the art of observation, investigation, and recording are central to the science program at CCA.			
Latin	Songschool Latin I: Students learn Latin terms for common items using fun and engaging songs. This is seen as a fun, introductory unit.			

1st Grade Scope and Sequence 2021-2022
